CHAPTER XXXII.

Long after the luncheon gong had sounded Betty Thompson sat at her desk in the library, too agitated to think of eating, too anxious about the outcome of vretched detective had gone. When would factress in silent supplication. was this unfortunate girl. Hester Storm. And, wandering about the village of Ipdesperate cable message that might save took up the tray of food. Hiram Baxter or-or it might ruin him. Oh dear, why didn't Lionel come back? When Horatio entered presently with joined Hester in the bedroom. some food on a tray, a little cold meat and a salad, Betty shook her head sadly.

"You seem troubled, my dear," said Merle, with kindly concern. "Is there anything I can do?"

"No, thank you," she answered, wearily. The clergyman put down the tray, looked about him cautiously, and then, tip-Thompson-that man-the detective?"

tragic thumb, pointed to the library "He's still waiting. He seems to

"I wish he would," she sighed.

"He acts as if he thought we were sheltering a fugitive in this house." Betty started. "Is that such a dreadful thing to-shelter a fugitive?" "My dear," said the curate, earnesly, 'I am speaking of a fugitive from justice, a malefactor, and to shelter such a person is tantamount to becoming a partner in his crime. It is a grave offense in the eyes of the law; it means imprisonment;

it means--' help and protection, you, as a Christian, child would have understood. would refuse to shelter him?" Horatio stroked his side whiskers and opened and closed his mouth several and wondered about her, and-and then information on the subject, and that times with clerical deliberation. "This is one of those delicate questions, Miss Thompson, one of those delicate sickening. uestions that-that-

But Betty would not be put aside wit ompous generalities. "Mr. Merle." she asked, earnestly, "supsome one, to save her from a terrible dis-

"Some one who had done wrong?" "Yes, she has done wrong, but-she is sorry for it-she has made amends." "But suppose keeping my promise to pleading penitent, and she would keep her Relation of save this person-suppose it means-tell-'Ah," replied the clergyman, solemnly lifting two scandalized palms, "it is my duty to forbid you, my child, under any

save another from destruction." As he uttered these words he blinked measily behind his powerful glasses, and mmediately added, with nervous haste: 'I say that as a minister of the church, ut-er-as a man--"Yes? As a man?" she questioned,

eagerly. It is impossible to know how Horati would have extricated himself from this dilemma, for, just as he was searching for some theological barrier against the girl's persistence, the telephone rang

sharply Betty took up the receiver. she answered, while the curate wiped his brow and observed this fair American with wondering interest. What a country America must be, he reflected, if so charming and clever a young lady was a specimen of its secretaries! What must its leisure class be! Then he remembered that plumbers and gasfitters were the only leisure class in America. He had asked Harriet to make a note of the fact. Ex-

pleasure to the telephone message.
"Don't you know who it is?" she smiled. her hands in his, but she drew it away Miss Thompson. Yes, I was in Brighton but I came up here this morning for-

while the girl's face took on a startled ex-Oh! I see. Very well. I'll tell Mr. Merle. And she hung up the instrument. "It was Mr. Robert Baxter," she ex plained to Merle. "He is on his way I-I supposed it was mine, I thought it less gems. here in the motor with a friend of

"A friend of mine?" "I suppose he's a friend of yours-the Bishop of Bunchester." "Bless my soul!" exclaimed the curate. didn't you say you were Betty Thompson and not just any old Miss Thompson? I "Bless my soul!" exclaimed the curate off his glasses and rubbed them nerv-"They will be here shortly, and Mr

Robert wanted me to ask you," her eyes! stand what you have to do with it, Mr. "Quite right, my child," answered the

"Oh, Mr. Merle!" she said. "If you plain Miss Thompson." "Certainly. I'll leave it here. You simply must have faith. You must way, my dear," he paused at the door, "the difficult question-that was troubling you?"

"Why don't you put it to the bishop?" changed the subject. "Perhaps I will," said Betty, and, long forgetting the bishop." after the curate had gone she sat still at thought that very soon she would see the knows.' man whose voice had just thrilled her

one of her favorite marked passages: where, either with more quiet or free-dom from trouble, does a man retire than from the immaturity of the universe- into his own soul, particularly when he has within him such thoughts that, by looking into them, he is immediately in perfect tranquillity; and I affirm that tranquillity is nothing else than the good ordering of the mind." She pondered these comforting words.

then, shyly, with a little gasp of pleasure, turned back to the flexible cover, where a flap of silk formed a thin pocket for some THE SMOKE NUISANCE.

VI—THE PITTSBURGH INVESTIGATION

By Frederic J. Haskin.

search of the University of Pittsburgh And now a singular thing happened. As solved problems to the satisfaction of smoke abatement.

Pittsburgh district is that of abating the made in big quantities. was Lionel Fitz-Brown, bearer of that ward the little stair. On the way she pall of gas and soot that made Pittsstopped, in an impulse of kindness, and burgh famous as the "Smoky City." He gave this fund a year ago, and placed it in the hands of Prof. Robert Kennedy she thought, and, a moment later she Duncan, director of the department of piled and investigated with great thorindustrial research, in the belief that a thorough investigation would reveal not Baxter, in brilliant color and fine spirit, only the nature, extent and precise causes burst into the library a few minutes later, of the smoke nuisance, but also the reme She had no appetite, she really could not eager to see Betty Thompson, he found dies that would make its abolition both
